### Rogue traders spotted in the Maidstone area

**Two men approached a resident in the Maidstone area yesterday claiming to be from the Highways Agency.**

**The men said they were passing when they noticed cracks on the resident's drive which they could fix cheaply.**

**Description: Both men are middle aged, around 5'11, very stocky and wearing scruffy high-visibility jackets.**

**The elder of the two has grey hair and speaks with a lisp.**

**They were seen driving a Silver Focus Estate.**

**The Highways Agency is responsible for key motorways and trunk roads in England and does not cold call residents offering to do work on their property.**

**If you see these men in your area report it to us on 08454 04 05 06 or fill in our doorstep criminals form online.**
